Terms and Conditions of Adoption

- All cats and kittens are **microchipped**. Upon adoption the microchip and animal is registered into the adoptees name and it is their legal responsibility to update any details over time for example: new phone number or address to ensure you can be found if your kitty gets lost.
- All cats and kittens receive their first vaccination and you will receive a certificate to show this. It is highly recommended that they receive a 2nd & 3rd booster vaccine in monthly increments after the first vaccine was received.
- All cats and kittens are wormed at 6,8,10 and 12 weeks and then every three months following. This is extremely important in assisting to keep your kitty happy and healthy.
- The rescue will complete all registration forms for the microchip. Following submission to the council you will receive a letter to **life time register your pet**. Once your kitty is desexed it is a legal requirement to register your pet and this is a once of payment.
- As part of rescue every kitty **MUST be desexed**. It is compulsory! Listed on the desex voucher is a one-month time frame in which you must book your kitty in for desex. The cost of this vet service is already included in the adoption cost. In circumstances where there are further medical procedures (undescended testicle/female on heat etc) the extra cost is the responsibility of the owner. This is very rare however the rescue cannot foresee these medical issues months after adoption.
- All kittens receive their first vaccine, microchip and vet check prior to leaving care. We have a 7 day health cover, therefore if any health issue arises please contact us immediately. This is subject to vet discretion ensuring the kitten has been adequately cared for.
- We understand that on the rare occasion a kitty may not adjust or fit with your family/environment. We will always take our kitties back into care. Upon meeting your kitty we hold a **\$100 deposit and this is non-refundable**. Upon adoption the final amount is required on the day. If for any circumstance your kitty has not adjusted within 10 days of adoption we will refund the difference but withhold the \$100 deposit.
